## CHELLA Bringing a Taste of Italy Into Your Life

---

Imagine yourself spending a relaxing summer's day taking in the uniquely beautiful sights and sounds of the Mediterranean Sea while visiting the coast of Italy.

The warmth of the sun kisses your skin. The peaceful sound of the waves lulls you into an all-encompassing relaxation that knows no equal.

As your body and mind relax, your other senses are heightened. The smell of the sea is matched only by the aroma of the offerings of the quaint, authentic Italian bistros nearby. It is there you discover one of their most tantalizing libations: Limoncello.

During the pandemic lockdown, left only with memories of our years abroad to remind us of life's better times, we craved the taste of Limoncello. Nothing that we experienced stateside could equal the brightness of the authentic Italian flavor we experienced.

Our journey began by experimenting with recipes that were not overly sweet, gluten-free, and could be an additional ingredient to a favorite cocktail. Chella was born.

Encouraged by our family and friends who enjoyed our answer to authentic Italian Limoncello, we set out to create and produce the best product possible to bring to those who could not access this fantastic, citrusy, sweet and sour drink.

Each batch of Chella is crafted with the finest ingredients and made with love. Love for the region. Love for the flavor. Love for sharing this beautiful taste with the world.

"A truly unique hand crafted spirit  
made in the heart of Katy, TX!"

Vibrant fresh, sweet but with  
balanced acidity. This lemon drop treat is  
awesome on its own but add a splash  
to your favorite cocktail to give it some  
lemony zest or just add to any sparkling  
water. It offers a great after meal  
digestif or just enjoy sitting  
by the pool".
